Dear

As you may have read in the local press, the National Trust of Guernsey was formed on 7th December last. Its objects are as follows:-

1. To arouse and stir up public opinion in an endeavour to preserve the remaining natural beauty of the Island, and buildings of historic and architectural value.
2. To create the machinery to acquire by bequest, gift or purchase, and hold in perpetuity on behalf of the Island, all manner of real property which in the opinion of the Trust Council should be preserved in its natural state.

We need your support if these aims are to be achieved, and the best way you can support us is by becoming a member. Membership is only £1 per year, or £21 for life membership. The most convenient way of subscribing is by Banker's Order, and I enclose a form which also shows the other ways in which you can subscribe.

Yours sincerely,

President.
